**Subject: Proposal for the Implementation of the School Records Management System (SRMS)**

Dear Sir/Ma'am,

Greetings!

We are pleased to present this proposal for the implementation of the **School Records Management System (SRMS)**, a comprehensive cloud-based solution designed to modernize and streamline your institution's academic and administrative operations.

The SRMS is an integrated platform that automates key school processes, including admissions, enrollment, registrar services, academic records, accounting, student services, and administrative management. Designed for Basic Education, Colleges, and Universities, the system enables schools to improve operational efficiency, enhance data security, reduce paperwork, and provide faster, more reliable services to students, parents, faculty, and administrators.

**SRMS Modules**

The proposed system includes the following integrated modules:

**Academic Management**

- Online Admission
- Online Enrollment
- Student Information Management
- Student Profile Management
- Curriculum Management
- Subject Management
- Class Scheduling
- Faculty Loading
- Attendance Monitoring
- Grade Encoding
- Grade Verification and Approval
- Academic Evaluation

### Registrar Services

- Student Permanent Records
- Academic Records Management
- Transcript of Records (TOR)
- Certificate Generation
- Student Clearance
- Records Archiving
- Alumni Records Management

### Accounting and Finance

- Assessment of Fees
- Student Billing
- Collection Management
- Official Receipt Generation
- Discounts and Scholarships
- Installment Monitoring
- Accounts Receivable
- Financial Reports

### Student Services

- Online Document Requests
- Student Portal
- Parent Portal
- Faculty Portal
- Program Dead/Head Dashboard
- Announcements and Notifications
- School Calendar

### Administrative Modules

- Human Resource Information System
- Employee Payroll
- Library Management
- Clinic Management
- Guidance Office Management
- Property and Inventory Management

### Reports and Analytics

- Enrollment Reports
- Academic Reports
- Financial Reports
- Registrar Reports
- Student Performance Reports
- Custom Reports and Analytics Dashboard

### System Administration

- User Management
- Role-Based Access Control
- Audit Trail
- Database Backup and Recovery
- System Configuration
- School Year and Semester Management

### Optional Integrations

- Learning Management System (LMS)
- GCash
- Maya
- Dragonpay
- QR Ph Payments
- SMS Notifications
- Email Notifications

### Project Investment

To accommodate the varying needs of educational institutions, we are offering the following implementation packages:

#### Package 1 – Fixed Subscription Plan

##### Development and Deployment Fee

- **₱240,000** (One-Time Payment)

##### Cloud Hosting, Technical Support, and System Maintenance

- **₱7,500 per month**

This package is ideal for institutions that prefer a fixed monthly operational cost regardless of student population.

#### Package 2 – Student-Based Subscription Plan

##### Development and Deployment Fee

- **₱120,000** (One-Time Payment)

##### Cloud Hosting, Technical Support, and System Maintenance

- **₱40 per enrolled student per month**

This package provides a flexible pricing model where the monthly fee is based on the institution's actual student enrollment.

### Both Packages Include

- Complete system deployment and configuration
- Data migration assistance
- User account creation
- Administrator, Registrar, Accounting, and Faculty training
- Cloud hosting services
- Regular software updates
- Preventive and corrective maintenance

- Unlimited technical support during the subscription period
- Automated database backup and monitoring

We would be honored to schedule a live demonstration of the School Records Management System to showcase its features and discuss how it can be customized to meet your institution's specific requirements.

We believe that the implementation of SRMS will significantly enhance your institution's operational efficiency, improve service delivery, and support your commitment to digital transformation.

Thank you for considering this proposal. We look forward to the opportunity to partner with your institution in building a modern, secure, and efficient school management environment.

Should you require additional information or wish to arrange a presentation, please feel free to contact us at your convenience.

Respectfully yours,
